Powerhouse wants to partner with you to minister and guide your student(s) in their spiritual growth, life lessons and character development, please do not hesitate to contact us if there is anything we can do to resource you with age-appropriate tools.

We're looking forward to our partnership with you this school year!

We believe in setting your student up for success, so we provide a dedicated homework time for them to complete any remaining class work during or program. We also provide a stimulating learning experience through our character-based curriculum that focuses on daily devotionals and object lessons. Our staff partners with you so you know how your student is growing in our program. ## **POWERHOUSE PARENT HANDBOOK**

### **Non-Discrimination Policy**

Powerhouse does not discriminate based on gender, race, color, religion, or national or ethnic origin in our admittance, education, and other administrative policies and extends all privileges, programs, and activities generally made available to all students in the program.

### **Accommodations for Families:**

The Powerhouse program strives to support families and students who may need additional accommodation, to include home language, different abilities, and cultural backgrounds. Please notify the Director if you or your student require accommodations and we will ensure that we do our part in making sure your needs are met.

Below are ways that we will partner with families:

1. If specific therapies are needed during the day while the student is in our care, we will provide space to accommodate sessions. Because of our security protocols, we do ask that you let us know of any session so we can ensure all visitors are signed in appropriately.
2. Complete supporting documentation from authorized medical professional for any accommodations related to student's physical or developmental needs.
3. Provide materials and resources in parent's/student's primary language.
4. Provide opportunity for cultural inclusiveness.

### **Communication**

We believe that communication with parents is essential. Any questions and/or comments you have are always welcome. We communicate to parents face to face, by campus phone, email, ProCare, and items sent home with the students. You can find contact information for each campus below. As a parent, you may also review a copy of the state's minimum standards.

From time to time, it is necessary to have changes or additions to this handbook. In these instances, you will be notified verbally, via email, or in writing.

Since Powerhouse is **not** a part of Life School, any communication regarding your student (i.e. absences, medication, playtime, etc.) must be communicated directly to the Powerhouse Site Director.

### **Parent Rights**

In compliance with Texas State Minimum Standard, Powerhouse will provide parents with the following information upon request within 3 business days:

- Access to review or receive a copy of publicly accessible records of our childcare program including inspection reports, training records, and curriculum.
- Written records concerning your child account.
- Request contact information for our Child Care Regulation office.
- Request a printed copy of our Powerhouse Parent Handbook.

Parents are free to exercise these rights without any retaliatory action from any staff member or Powerhouse Central Office.

### **Parent Observations & Conferences**

As a parent you have the right to request a tour or observation of our program. If you would like to do so, please let your Site Director know upon your arrival. Powerhouse wants to have a partnership with parents so that students can grow and develop into their best selves. We

encourage parents to schedule an appointment with the Powerhouse Central Office Director and/or their Site Director to discuss any issues or concerns.

Powerhouse will send out emails and ProCare messages as a courtesy reminder to each family, so please make sure we always have your MOST CURRENT information on file.

In addition, please be aware that the Powerhouse schedule is subject to change to accommodate Life School schedule changes outside of inclement weather days. This includes but is not limited to a Monday holiday that requires normal school hours that Friday or make up school days. In the event of such an instance, Powerhouse reserves the right to not adjust billing for certain programs, depending on the situation. Please feel free to reach out to the Central Office, who handles all billing, if you have a question about a charge on your account.

### **ProCare**

ProCare is the secure software we use to keep track of our enrollments and waiting list. Upon your student's enrollment into our program, you will receive a link to activate your parent portal. This will be important, as all our communication to you throughout the program days will take place in ProCare. Please download the ProCare app from the app store.

In your ProCare portal, you will be able to update your student's information, as well as the persons allowed to drop off and pick up your student. **Anyone who drops off or picks up your student *must* be listed in your ProCare account. A student will not be released to anyone under the age of 16 years old. This is a state requirement.** Nor will a student be released to the school without a person from their list present. You must list emergency contacts - *who are not the parents or primary guardians* - in case of an emergency in which the parents or guardians cannot be reached.

In addition, if a Powerhouse staff is escorting your student out to your car for pickup, **it is your responsibility to sign out your student from your ProCare app.** We will then be alerted that the child is ready to send home.

### **Personal Information**

In your ProCare portal, you will be able to update your student's information, as well as the persons allowed to drop off and pick up your student. **Anyone who drops off or picks up your student *must* be listed in your ProCare account.** You must list emergency contacts - *who are not the parents or primary guardians* - in case of an emergency in which the parents or guardians cannot be reached. In addition, anyone who is paying the tuition must be listed as a guardian, as they will need to log into their portal to pay the account balance.

If you should need to withdraw your student from Powerhouse, we ask that you notify your Site Director via email or in writing one week prior to the effective date. **If your student(s) is absent from our program without notice, you will be withdrawn from the program after 5 days of no communication or attendance.** Re-enrollment fees are assessed to those who did not communicate their withdrawal from the program or were absent for more than 4 weeks. **Powerhouse Safety Policies**

Parents need to personally escort their student(s) to the receptionist desk to sign in and out when their student enter and leave the facility.

**Signing In/Out**

As a courtesy to our staff, we ask that any/all cell phone conversations be finished before approaching the desk area to pick up/drop off your student. All parents/guardians/authorized individuals are required to sign their student in and out of Powerhouse. For security purposes, students must be picked up at the designated pick-up location. If a parent is unable to pick up their student, they may authorize another legal adult to pick up. Please email or ProCare message your Site Director to inform

them of the change. In addition, this adult must be listed as a contact with pick up authorization on your ProCare Parent Portal, and **they must be ready to show a valid picture ID.**

Pick up *must* occur at the Receptionist's desk. Your student will not be released to you if you meet them anywhere else on the campus, **unless specified by your Site Director. It is required that all legal adults that come to pick up student(s) be ready to show a valid picture ID if necessary.**

Families with CCA will be required to sign in and out on the CCA tablet to record their attendance in compliance with Texas Workforce regulations and Child Care Groups policy. A separate login and pin will be created on the tablet. Your CCA login does require a photo of the person to validate login ID and attendance. Please be sure that each person authorized for pick up has their own login to avoid attendance issues as it does affect your CCA eligibility.

### **Confidentiality**

While your student is enrolled in our program, parents may come across confidential information about our program, our staff, and sometimes other students. All information received from Powerhouse must remain confidential. Breaching confidentiality may lead to removal from the program.

### **Parent Code of Conduct**

Please understand, young children are present in our building. Some adult language is not appropriate for young children. Powerhouse prohibits swearing or cursing on our property. **Threatening staff, students, or other parents will not be tolerated per Powerhouse standards and the Texas Department of Family and Protective Services. Powerhouse has the right to terminate care and/or call proper authorities in the event of disruptive behavior from a parent or guardian.**

Powerhouse must follow rules on discipline and guidance as outlined in the Texas Minimum Standards for Before and After School Programs. All adults, including parents, must follow these rules while on our property.

### **Custody Situations**

Powerhouse will follow a court order exactly as written. If your family has a court order on file, please provide us with the most recent copy. **Please note, per state law, in the absence of a court order, both parents have equal rights.** It is imperative that all enrollment forms are completed with both parents' information. If a custody dispute takes place on our property, the local police will be called and asked to handle the dispute. Our staff will not be placed in the middle of such disputes. If a custody issue creates a risk for our facility or staff, Powerhouse has the right to terminate care.

### **Meals and Snacks**

Powerhouse is enrolled in a food program called Education PV. Daily snacks are served according to a campus schedule. Please check the posted snack schedule for your student's snack time. A monthly menu and schedule will be posted in the State Binder (located on the sign in/out table) listing the items served during Powerhouse. This is subject to change without notice, but the change will be indicated on the schedule.

### **Please send a lunch and one additional snack with your student on the Fridays.**

Powerhouse will provide a breakfast and an afternoon snack, but you are responsible for your student's lunch and additional snack. We also ask that you send a reusable water bottle for your student, clearly labeled with their full name.

### **Nutritional Guidelines**

Powerhouse adheres to the state nutritional guidelines: **therefore, no food will be allowed to be brought into the program other than what is specified above.** If your student requires a special diet, a doctor's note **MUST** be provided stating the specific guidelines of the diet and you will be responsible to provide your student's snack. If your student has a food allergy that has been assessed by a doctor, please contact your Site Director and request a Food Allergy Plan. Please have your doctor fill this out and return it to the Site Director so we know how to properly treat your student in case of exposure.

**There will be no candy, gum, carbonated drinks, or added sugar items allowed at any time unless it is specified and approved during a Powerhouse class party or Powerhouse special event.** If brought from home or school, Powerhouse will ask your student to save it for home. On occasion, your student's Powerhouse teacher may have a classroom party that would include food/snacks. A permission slip containing specific information will be sent home with your student prior to the date of the party. All permission slips **MUST** be signed and received by Powerhouse prior to the party for your student to be able to participate.

### **Clothing Guidelines**

Students are responsible for all clothing brought with them to Powerhouse. Please write your student's name on their clothing so that if lost, it can easily be identified. Any lost clothing will be placed in Life School lost and found. Clothing based on seasonal needs are recommended. Please feel free to reach out if you need assistance to receive seasonal clothing for your students (shorts, jackets, mittens, hats, and scarves). Students should wear comfortable clothing that they can run and play in.

### **Fun Fridays**

Powerhouse believes in having fun! Fun Fridays is a tool we use to encourage kids to participate, learn, and grow in our program while earning points for their team to win team prizes at the end of every month. Prizes include special activities, special snacks, etc.

### **Screen Time Policy:**

Early learning program policy places a limit on student's screen time usage (such as TV, tablets, computers, electronic devices, and Smart Boards) while in the program's care. On special occasion students will be allowed limited screen time on their electronic devices. Students cannot record, be on social media, or any inappropriate websites. Powerhouse is not responsible for any lost, stolen, or damaged property. Powerhouse models our personal device policy after Life School so that student and parent are aware of the expectations.

## **Challenging Behavior Policy**

The main purpose of Powerhouse is to provide students with a place to grow and develop spiritually, emotionally, and socially. Powerhouse's choice of discipline is celebrating positive behavior and redirecting negative behavior to a different activity, if necessary. We believe **"What gets celebrated, gets repeated!"** Powerhouse chooses to celebrate students that are showing positive actions, behaviors, and choices with their peers, teachers, and supervisors.

When a student demonstrates challenging behavior that is disruptive to the program, our teachers will address the behavior in a way that ensures the safety of all students. The following actions will be taken:

1. The teacher will talk to the student about the behavior and try to guide the student into using more appropriate ways to play and/or communicate.
2. The teacher will redirect the student and, if necessary, a time of reflection will be given for the student to reset and try again. Time of reflection will be one minute per student's age.
3. The student will receive a tally, and parents will be notified about the behavior. Parents will be asked to support the teacher so that the student can start anew the next day. When a student is given a tally, you will be notified at pick up. You will be asked to sign the bottom of the tally, and you will be given a copy to take home for your records.
4. If three tallies are given within 30 days, parent(s) will be required to have a **mandatory** parent conference with the Powerhouse Site Director to be scheduled within 3 days of notification. At this time parents and Site director will plan a behavior intervention for the student with a 14-day probationary period.
5. Continued unacceptable behavior during the probationary period will result in a suspension for a period of 3 or more days. If the behavior has not resolved, parents will be asked for an additional meeting, at which time the parent may be asked to find alternate childcare for their student.

We want to partner with parents to support our students' needs. Open communication and feedback between staff and parents will be ongoing throughout this process via in-person conferences, ProCare messaging, or by phone. Parents are encouraged to share any strategies they use that help to improve the student's behavior.

For incidents regarding behavior that risks the safety of the students or others, a suspension or suspension warning will be given immediately. Immediate suspension or warning is given for the following but are not limited to:

- Verbal and/or physical disrespect to staff or another student
- Continuous disobedience
- Misbehavior during a safety drill
- Damage to property
- Inappropriate behavior (derogatory, sexual in nature, or profane language)

Powerhouse has a **ZERO TOLERANCE** policy for any physical aggression/bullying. Upon Powerhouse management investigating and determining that your student was a part of any physical aggression/bullying, your student will be subject to suspension/expulsion. **If your student is suspended or expelled, you are still required to pay for any balance due on your account.**

A copy of the Discipline and Guidance policy from the Minimum Standards for Childcare Centers and Texas Rising Star is included in this handbook.

A copy of the Discipline and Guidance policy from the Minimum Standards for Childcare Centers is included in this handbook.

### **Personal Property/Lost & Found**

Powerhouse will not be held responsible for any personal property that is lost, damaged or stolen. This includes cell phones, games, toys, food items, etc.

Any personal property causing classroom disruption will be collected by the teacher and can be picked up by a person authorized for pick up at the front desk.

Any items left in Powerhouse (textbooks, backpacks, jackets, lunchboxes, etc.) will be taken to the Life School Lost & Found container at the end of each program. Powerhouse is not responsible for any property lost or damaged during our program.

### **Damage to Property**

The Parent/Guardian will receive notice from the Site Director of any property damage that has been done by their student. This may result in the suspension of the student and/or repair/replacement fees.

### **Screen Time Policy:**

Early learning program policy places a limit on student's screen time usage (such as TV, tablets, computers, electronic devices, and Smart Boards) while in the program's care. On special occasion students will be allowed limited screen time on their electronic devices. Students cannot record, be on social media, or any inappropriate websites. Powerhouse is not responsible for any lost, stolen, or damaged property. Powerhouse models our personal device policy after Life School so that student and parent are aware of the expectations.

### **Incident Reports**

If your student should be involved in an accident or sustains an injury that requires first aid while in our care, an Incident Report detailing the specifics of the incident will be filled out on that day. You will be informed upon pick up of your student from the program of any minor incident that may have occurred. Parents and/or legal guardians will be asked to sign the report, which will be placed in their student's file. By signing the incident report, you acknowledge that said injury occurred while in the Powerhouse program. You may request a copy of this report for your records. If the parent or guardian does not pick up their student that day, the pick-up person (who must be qualified in ProCare) will sign the Incident Report, and the parent/legal guardian will be notified.

### **Child Abuse Reporting**

Powerhouse is a state-licensed facility and is required by our Minimum Standards to report suspected child abuse and neglect. Our staff is trained annually on how to recognize child abuse, neglect, and maltreatment. If your student has been in an accident that may have caused bruising, alert the Site Director or Supervisor.

### **Illness and Exclusion**

**Students who are ill should not attend the program.** Powerhouse observes the standards set by the Texas Department of Family and Protective Services for ill children. The most common standards for exclusion are:

1. Illness that prevents the student participating in childcare activities, **including outdoor play.**
2. The illness results in greater need for care than caregivers can provide without compromising the health, safety, and supervision of other students.
3. Forehead temperature of 100.4.
4. Symptoms and signs of possible severe illness such as lethargy, abnormal breathing, uncontrollable diarrhea, or vomiting in the last 24-hour period.

If a student becomes ill while in our care, we will contact the parent immediately. We will care for the student away from the other students with proper supervision and give extra care and attention to proper handwashing and sanitation practices.

Parents need to pick up their student no later than 1 hour after notification. If a severe illness or injury occurs and a parent fails to pick up their student within that 1 hour, Powerhouse may call for an ambulance at the parent's expense.

Any student who is sent home during our program may not return to Powerhouse until the student is symptom-free for 24 hours without medication, or there is a note from a medical professional stating the student can return to our program without the need for exclusion.

### **First Aid & Medical Emergencies**

You will be notified of any incidents other than minor scrapes or bumps with a phone call. We will also give you a written report at pick-up time. First Aid will be applied to minor incidents. In any event where medical attention is required, we will notify you immediately. Parents are responsible for all medical fees.

If a medical emergency should occur, Powerhouse staff will call 911. As appropriate, our trained and certified staff will administer CPR or first aid measures. The parents will be notified immediately of the situation regarding their student. If the parent is unavailable, the individuals listed as emergency contacts will be notified. All students must have an emergency contact listed who is *not* the parent/guardian, in case the parent/guardian is unavailable or unreachable. You must provide Powerhouse with the full name, phone number, and physical address of each emergency contact, as well as the name, phone number, and physical address of your preferred emergency care facility.

### **Medication**

If, while in our care, your student should need medication (prescription or over the counter), an Authorization for Dispensation of Medication form must be on file in the Powerhouse Office. All medication must be brought in the original bottle with the student's name and dosage information listed on the label. Medication cannot be expired. Please bring medication directly to the Powerhouse Office where it will be secured until administered to your student. We do not have access to Life School medication.

### **Immunizations**

Your student's immunization records must be on file with Life School. If they are not, you are required to provide a copy of your student's immunization records or notarized affidavit to your Site Director **before** your student may begin in Powerhouse programming.

### **Medical Conditions & Special Needs**

Powerhouse is an inclusive childcare center and wants to provide the care our students need. Parents are required to make Powerhouse aware of any medical conditions or special needs that could affect the students care and supervision This includes but is not limited to food allergies, epilepsy, learning disabilities, emotional disturbance, and beyond. Life School does not share student medical information with Powerhouse in compliance with FERPA laws. To accommodate your student's needs, parents' are responsible for providing any medical documentation from a physician and/or a student's IEP/504 plan to Powerhouse on the first day of attendance.

We follow all state Minimum Standards for fire, storm, and lockdown drills. If you have questions regarding our drill procedures, please contact your Site Director. If you arrive during the middle of a practice drill, you will be expected to participate and/or wait until the drill is complete.

### **Student to Staff Ratios**

Powerhouse implements a lower student-to-staff ratio than the state requires. Powerhouse has the right to expand class size at any time due to enrollment. Powerhouse will always comply with the Department of Families and Protective Services unless under an emergency.

### **Indoor vs. Outdoor Physical Activity**

Powerhouse implements indoor and outdoor play throughout the school year. When the outside temperature reads from 66-100 degrees, students will be taken outside and will remain for the full recess time as set in the class schedule. When the temperature reads anywhere from 50-65 degrees or above 100 degrees, the students will be taken outside (with jackets if applicable) for a period of 10-15 minutes. Anytime outdoor play is not feasible due to weather conditions or weather advisories, students will have active playtime indoors in the designated indoor play space (i.e. gym, auditorium, etc.)

### **End of Year Statements**

End of Year Tax Statements will be emailed to you by your Site Director or a member of our Central Office. You can expect to receive these at the end of each January.
